

# AQUANEERING INCORPORATED

*Superior Water Quality. Because your research depends on it.*

## Get Credit for Attending the Zebrafish Husbandry Workshop!

Aquaneering is excited to announce that for the first time in the fifteen-year history of the Zebrafish Husbandry Workshop, veterinarians, veterinary students, and veterinary technicians will be eligible for seven hours of RACE-approved Continuing Education and Professional Development credit for attending the annual Workshop!

We would like to acknowledge the efforts of A. David Scarfe PhD, DVM, MRSSAf, CertAqV (Aquatic Veterinary Associates International, LLC) and Dr. George Sanders/University of Washington that made this all possible.

In addition, all attendees will again qualify for 10 CE credits through AALAS.

We look forward to seeing you all in Las Vegas!
